Programme of the EUSTAS Symposium 2009.
Auditorium “De Molen”, Kasteelpark Arenberg 50, B 3001 Heverlee

“Stevia in Europe”

Tuesday, 30 June 2009: Pre-registration Oud-Leuven

Wednesday, 1 July 2009

9:00 – 9:30 Registration/Coffee

1. Production of Stevia and Steviol glycosides

9:30 – 10:15: Dorn Wenninger (PureCircle Supply Chain VP): adaptation of farmers to the new stevia supply chain
10:15 – 10:45: Carl Horn (Granular): Corporate Social Responsibility in Stevia production in Paraguay or sustainability issues
10:45 – 11:15: Roberto Campos (Merck, Brazil) Stevia in Brazil

11:15 – 11:35: Coffee + networking companies

2. Quality of Taste

11:40 – 12:40: John Fry (Connect Consulting in Horsham, UK): The practical aspects of steviol glycosides from the perspective of the product development scientist.

12:40 – 13:55 Lunch + Networking

3. Validation of analytical methods.

14:00 – 14:35: Peter Grosser: EUSTAS Quality Label
14:35 – 15:05: Frank Jaksch, ChromaDex, Inc.: The Importance of Well Characterized Analytical Reference Standards for the Stevia Industry.
15:05 – 15:45: Troy Rhonemus (Cargill; Troy_Rhonemus@cargill.com): Validation of different analytical methods.
15:45 – 16:25: Jan M.C. Geuns (KULeuven) Discussion of the EUSTAS round-robin testing of 2 samples of steviol glycosides.

16:25 – 18:00: Coffee + networking & demonstrations by companies

16:45 – 17:15 Angus Flood: PureVia™

19:30 Symposium dinner in Oud-Leuven

Thursday, 2 July 2009

4. New active compounds

9:00 – 9:45: Paul Holvoet (KULeuven): Pharmacological effects of stevioside in a mouse model

9:45 – 10:20: Amal Mohammed (KULeuven): Steviol biosynthesis: molecular aspects of early steps in the biosynthesis

10:20 – 11:00: Coffee + networking companies

5. Steviol and Steviol derivatives

11:00 – 11:35: Annelies Smedts/Stijn Ceunen (KHBO, KULeuven): Degradation of steviol glycosides by soil bacteria: update

11:35 – 12:10: Nico Moons (KULeuven): Synthesis of derivatives of steviol with pharmacological effects in Zebrafish

12:10 – 13:55 Lunch + Networking

6. Use of steviol glycosides as a sweetener in the EU

14:00 – 14:25: Joël Perret (Greensweet): Status of steviol glycosides in France

14:25 – 14:50: Amy Boileau (Cargill): Current status of steviol glycosides in the United States

14:50 – 15:15: Carl Horn (EUSTAS): Current regulatory status of steviol glycosides in Europe

15:15 – 15:40: Umberto Leonetti (Storms): Current regulatory status of steviol glycosides in Switzerland

7. World Stevia Association?

15:45 – 16:30 Discussion of possibility to found a global association with the aim of a better cooperation world-wide.

8. Concluding remarks

16:30 – 17:30: Coffee + networking companies

17:30 End of symposium

17:30: Board Meeting EUSTAS

Friday, 3 July 2009 for EUSTAS members only

9:00 – 12:00: EUSTAS meeting (**Location: Botany 01.30; Kasteelpark 31, 3001 Heverlee-Tel: +32-16-321510**).

REGISTRATION

Deadline for registration:

Please register as early as possible and certainly before May 31th. The number of participants is limited to about 150. Please email a copy of your registration to Jan.Geuns@bio.kuleuven.be.

Fee (including coffee, sandwich lunch (2 days) and booklet of proceedings)

Companies:	€600
Eustas Members:	€200
PhD students	€50
Symposium dinner: Wednesday, 1 July	€45

* Fees to be paid preferably in advance by bank transfer payable to: KULeuven: Iban: BE60 7340 0666 0370 and Swift: KREDBEBB of KBC Bank, Brusselsesteenweg 100, B 3000 Leuven. Please: mention this number: 400/0002/76184 as well as your name and symposium 2009.

* To avoid excessive bank costs, people from outside Europe can pay on our **PayPal account**: info@eustas.org. Please send us a copy of your payments.

Hotel Rooms: to be found at: <http://www.leuven.be/showpage.asp?iPageID=1408>

Book as early as possible.

Advertising:

Costs for advertising in the proceedings: €500 for ½ page and logo.

Pre-registration is on Tuesday, 30 June in Oud-Leuven, Tiensevest 12, 3000 Leuven (in front of Leuven train and bus station) from 18:30 on.

Registration form

Name:

Company/ University/institute:

Address:

PhD Student: yes / no

Laboratory/organisation:

e-mail:

Tuesday 30/06/2009	18h30	informal get-together and registration	Brasserie In Oud-Leuven
Wednesday 01/07/2009	9h00	symposium	Auditorium De Molen, Kasteelpark Arenberg 50
