ASTRAGALOSIDE IV(REAGENT GRADE) (Part# ASB-00011194-101)

DESCRIPTION

ASTRAGALOSIDE IV is a saponin produced through isolation from Astragalus.

ChromaDex has been involved in the isolation of high purity Astragalosides, and other related compounds, for over 5 years. Much of the Astragalosides used for several of the publish studies was produced by ChromaDex. Over the years we have increased our scale and now we can manufacture kilogram quantities of the highest quality material available.
