Join the ChromaDex™ cGMP Lab Start-Up Program today!

To participate in the ChromaDex™ cGMP Lab Start-Up Program, please complete the registration form. We will contact you shortly. In addition, we will send you a free ChromaDex™ cGMP Lab Starter Kit.

How can I register for the cGMP Lab Start-Up Program?

To sign up for the cGMP Lab Start-Up Program, please fill out the form attached to this document and fax to 949-419-0294. To ensure a smooth registration process:

- Enter the full name of your institution, do not use abbreviations.
- Make sure to provide us with your shipping address and not your billing address. Please include street, building and room number.
- Provide us with the exact date when you will be ready to order. Once set up, your contract cannot be extended.
- If possible, please provide us with your ChromaDex™ account number.

When we have validated your information, you will receive a contract number that must be referenced when placing orders.

How long does the registration process take?

If you are an existing ChromaDex™ customer, please allow 5 to 10 business days to process your request. You will receive your contract number and ordering instructions by e-mail.

If you are a new ChromaDex™ customer, we are required to conduct a new account review prior to setting up your account. A ChromaDex™ representative will contact you and let you know what documents are required for the review.

How can I take advantage of the ChromaDex™ cGMP Lab Start-Up Program?

After you have submitted the request form, you will receive a contract number. To ensure instant savings of up to 50%, reference this number each time you order. The contact number is valid for THREE (3) months, so please state on the request form when you want your program to start.

I have received my contract number but my cGMP lab start-up date was delayed and I won't be able to place orders until a later date. Can my contract start date be delayed so that I can take advantage of the full three months?

Yes, if you haven't placed any orders yet. Please contact your account representative and provide us with the date you will be ready to order. We will put your contract on hold and reactivate it on the date you provided. If you have already started ordering we will not be able to delay the contract date.

My contract has expired. Can you renew or extend my contract?

No. cGMP Lab Start-Up contracts are valid for THREE (3) full months and cannot be extended.
