Trans-RESVERATROL(FOOD GRADE) **(*Polygonum cuspidatum*)** **(Part# ASB-00018089-101)**

DESCRIPTION

Resveratrol is a stilbenoid produced through purification from Knotweed(*Polygonum cuspidatum*).

ChromaDex has been involved in the isolation of high purity trans-Resveratrol for over 5 years. Much of the resveratrol used for several of the publish studies was produced by ChromaDex. Over the years we have increased our scale and now we can manufacture kilogram quantities of the highest quality material available.
